

HPLC2019 Kyoto

The 49th International Symposium on High Performance Liquid Phase Separations and Related Techniques

December 1–5, 2019

Kyoto University at Katsura, Kyoto, Japan

<https://hplc2019kyoto.com/>

SCOPE:

The HPLC Symposium series is the premier meeting for high performance liquid phase separations and related techniques. The 49th HPLC Symposium will be held in Kyoto, Japan, December 1 to 5, 2019, which is the second meeting in Kyoto as a regular HPLC Symposium.

The symposium will cover all aspects of separations by liquid chromatography and electrophoresis as well as related hyphenated techniques and detection methods. Invited lectures and oral presentations including parallel sessions, and poster presentations will be planned for each section, in addition to the plenary sessions. Virtual proceedings will be published as a special issue of an international chromatographic journal.

ABSTRACT SUBMISSION:

Authors wishing to present papers in oral and poster sessions are encouraged to submit the abstracts in English through web. Further detailed information will be announced at the website.

SYMPOSIUM CHAIRS:

Koji Otsuka, Chair, *Kyoto University*
Kenji Hamase, Co-chair, *Kyushu University*
Yasushi Ishihama, Vice-chair, *Kyoto University*

SOCIAL PROGRAM:

Welcome Reception: December 1, 2019
Symposium Banquet: December 3, 2019
Affordable excursions will be planned for delegates to visit gardens, temples, shrines, and museums.
Early December is a nice time for shopping and seeing fall foliage around Kyoto.

SYMPOSIUM VENUE:

Funai Auditorium & Katsura Hall, Kyoto University at Katsura,
Katsura, Nishikyo-ku, Kyoto 615-8510, Japan
